PancreOS kick-off meeting

Madrid

March 17, 2016

Today's objective

PancreOs kick-off meeting. Madrid, 17th March 2016

TO LAUNCH PancreOS by establishing a network for collaborations towards sharing high-quality and standardized data on the clinical management of pancreatic cancer in Europe.

To achieve this objective, we need to consolidate:

- 1) Purpose, functioning and outcomes of PancreOs
- 2) Partners
- 3) Legal and ethical aspects
- 4) Data considerations: variables and data exchange
- 5) Risks (challenges) and feasibility
- 6) Resources (human & technical issues), requirements and funding strategy
